Community Outreach Meeting**

Dear Property Owners, Neighbors and Interested Parties,

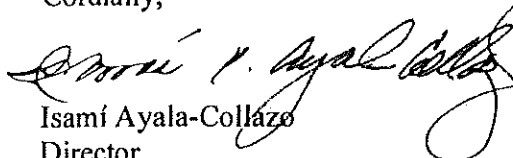

In March 2024, Palm Beach County (County) and the Town of Hypoluxo (Town) entered into an Interlocal Agreement (ILA) for the establishment of the new Hypoluxo Library Branch as part of the County's Library System. Under the ILA, the County acquired from the Town the property located at 7200 S Federal Highway, and based upon results of further inspection and planning, has commenced design of the new facility.

To that end, and on behalf of Palm Beach County and its Board of County Commissioners, the County's Facilities Development & Operations Department (FDO) will be providing a **public presentation** of the project status and the proposed design concepts for the Hypoluxo Library Branch at **Town Hall, 7580 S Federal Highway, Hypoluxo at 5:30 p.m. on Wednesday, May 21, 2025**. We look forward to sharing information and receiving public comment and input on this future vision for the library.

We hope you will attend this public presentation should you take interest in the library and/or planning for its public service future. Should you be unable to attend and wish to review the presentation after May 21st, that will be available at <https://discover.pbcgov.org/fdo/Pages/OpenProjects.aspx>.

Should you have any questions, please do not hesitate to contact me at (561) 233-1447 or IAvalaCollazo@pbc.gov.
